ORPHANS: GOD'S CALLING TO CARE

GOD IS GREATLY BLESSING OUR MINISTRY WORK AS WE CONTINUE TO HELP ORPHANS NORTH OF JINJA, UGANDA

Our school, Grandview Junior School, is now serving and caring 400+ children, 4-14 years of age. Their living conditions, nutrition, and overall health before being admitted to school is mostly deplorable. Upon being admitted they receive sandals, a school uniform, and school supplies, all in the loving environment of the school. In EAI, we have the opportunity to reach these precious boys and girls with a good education, a decent meal, medical attention, and the Gospel of Jesus Christ.

The cost for starting off the beginning of 4 semesters is only \$58 USD. After receiving the needed supplies, the cost becomes \$35 USD! Therefore, to provide for one student, all this comes to only \$163 per year. For us, it's such a small amount, and an investment in the lives of those whom God calls us to love and care for.

Please do pray about sponsoring a child. Giving them a chance to grow up healthy, loved, and cared for—must certainly touch our Fathers heart.

"RAISING THE ROOF" UPDATE

THANKS TO YOU—OUR PROJECT IS NEARING COMPLETION!

The 20' by 80' foot structure used for classrooms at Grandview Junior School desperately needed a roof. The children ages 4-14 had to scatter when a downfall of rain came. God answered our prayers so dramatically that by selling ornaments for \$6 each we raised over \$11,500! Photos of the construction so far are shown at left. Thank you to all our faithful partners. The roof will be totally completed by the end of August!

TESTIMONIES

Bishop Weringa Earinist

Bishop Weringa Earinest from Munias wrote, "I am grateful that this course was brought to this western region of Kenya. Pastors/leaders have caught fire, they have trained the evangelism teams in their areas of operation. Evangelism has caught fire. New convert is getting Baptized and generally pastor is defining the gospel correctly to their flock. Again, I say thanks to God made a divine connection with Patrick and brother Larry. May God Bless them."

"Simon Peter answered him, "Lord, to whom shall we go? You have the words of eternal life."

John 6:68

Robert Tarus

Robert wrote, "I am called Robert Tarus from Elda-Maravine. I oversee about 80 deliverances in Baringo region. I am to inform you that the study of the First Principles in my region, has changed many things i.e Evangelism teaching and number of members in our churches. Pastors/leaders who were trained went home with determination to fulfill the great commission. May God bless America and more so brothers and sisters in Buffalo in New York state."

NEW KEY COORDINATOR TRAINING

KEY LEADERS IN KENYA

An important Key Coordinator training and one-on-one meetings took place in early June 2025 in Nairobi, Kenya.

Our "5C's Discipleship Training" preceded one-on-one discussions and prayer. Commitment, Vision & Consistency were the main topics. Each coordinator is required to send in monthly reports. Our four training centers—Mumias, Malindi, Elda-Maravine & Nairobi—will each have five monitors reporting actual information from the field.

JUNE REPORT

JUNE 2025 REPORT FROM KAMPALA & KAYUNGA

In June, Pastor Joseph, our coordinator for **Kampala and Kayunga, Uganda**, traveled to the **Kampala** area to work with Pastor Fred Kalule (district supervisor). They conducted training in the 5C's, "Becoming a Disciple" (Book 1) for 65 students who were Pastors and ministry leaders.

They were each commissioned after three days of training to reach three others in their village with the same training.

Also in June, fifteen baptisms took place in different locations—all because of the impact of studying and understanding the first book, "Becoming a Disciple". We thank God for this!

In Kayunga, Uganda, all eight districts (700 churches) have now completed the first series, four books of the First Principles, along with the 5C's training! Fourteen trainers are now assigned to begin training the first book of the second series, "Enjoying Your Relationships." In mid-July, 2025 our strategy of "training the trainers" is escalating the spread of God's truth dramatically. Every time a trainee finishes a book, they are commissioned to train three other pastors and leaders in their village.

PASTORAL & DISCIPLESHIP TRAINING

NEW CLASSES IN DODOMA AND DAR-ES-SALAAM, TANZANIA

Currently, fifteen pastors in Dodoma are being trained by Pastor Patrick in the First Principles. They completed the first book, "Becoming A Disciple," in addition to already having gone through the 5C's of the Gospel.

After going through "Becoming a Disciple," students in Dodoma and Dar-es-Salaam were challenged concerning baptism. There was spirited and loving discussion about how a believer is to be baptized. As a result five pastors demanded to be baptized by immersion in water. In Dodoma, twenty church leaders were also baptized... glory to God! There is now a much better understanding of the importance of baptism in the life of a believer. Our brothers and sisters are excited for our team members from Uganda to return again to see and participate in more baptisms as they continue to share the Biblical principles that they've learned.

ers and sisters are excited for our team members from Uganda to return again to see and participate in more baptisms as they continue to share the Biblical principles that they've learned.

Based upon our renewed commitment to the philosophy of "training the trainer" all of the students were challenged to go home and teach five others, preach the Gospel, baptize, and walk with each disciple, consistently teaching them all that the Lord has commanded.

***"Praise the LORD, all you Nations.
Praise Him, all you people of the earth!"***

Psalms 117:1

PASTOR AND MINISTRY LEADER TRAINING

As you see in the graph below, Pastors and ministry leaders in these two training center cities continue to multiply. Every time someone is trained in one book of the First Principles discipleship program, they are commissioned—to not only share the gospel within their family, church and village—but also to train a minimum of three other Pastors/leaders in their village. So exponential growth is being achieved at a rapid rate because God's Spirit is working through the hard work of His people throughout all of Africa!

In Tanzania, we have continued to reproduce more and more trained Pastors and leaders. For instance, in Iringa the initial thirty trained 2-1/2 years ago, have now resulted in 431 trained, now reaching 47 new churches (training centers), and resulting in 801 conversions to Jesus Christ, and 1231 baptisms, because even Pastors have been converted when they realize what the TRUE GOSPEL is—not a prosperity gospel—but that Jesus came to die for sinners, and rose again unto new life!

Long term... **In the past three years, 76 NEW churches have been planted in Tanzania, 223 in Kenya, and in the last eight years, and 564 churches have begun in Uganda. We're not stopping here, but asking God to continue raising-up new leaders among the people of seven East African Nations which are in our scope of gospel and discipleship ministry.**
